CBA Summer Picnic 2014 (August, 16, 2014)

CBA Summer Picnic 2014 in Mitchell Park, Palo Alto

Continuing with the traditions of the past, CBA was proud bringing members the picnic in Mitchell Park at Palo Alto, 16th of August, 2014. A light breeze was blowing and the sun was shining: it was a beautiful Saturday, and this year's summer picnic, like always, was a smashing success.

Hosted outdoors in a spacious Pine Grove Group Area in Mitchell Park, the CBA picnic offered a wide array of food, activities, and entertainment. While children played in the Play Area, adults could be found chatting around tables, feasting from a delicious buffet spread and tasting private cuisine prepared by CBA members. It provided a great opportunity for CBA members to make new friends, re-establish old friendships, and to encourage camaraderie as we stay this year. The turnout was remarkable - with more than 120 CBA members and families / friends in attendance.

The annual summer picnic is one of two CBA events each year, providing CBA members with an opportunity to meet, mingle, and kick back with family and friends. CBA would like to receive your comments, both good and bad, to ensure that we can overcome the failures and further improve the positives.

CBA Annual Conference 2014

CBA is thrilled to announce the CBA Annual Conference 2014, a scientific conference that brings together scientist, entrepreneur, and organization from around the world to share and collaborate in the interest of biotechnological and biopharmaceutical industries, which will create the best virtual reality experiences possible. The annual conference invites distinguished speakers and leaders from academia and industry to provide up-to-date knowledge in the fast-paced bio-industry environment; it also facilitates networking opportunities for people in biotechnology companies, the biopharmaceutical industry, and other professional bioscience-related organizations in the San Francisco Bay Area, and also promotes career development and job opportunities.
